**** Planning meeting on June 3rd, at Brampton RAA. ****

We will organize the group purchase of maps, enroute mountain flying briefings, and anything else you suggest.

There will be a small daily collection to cover tie-downs, camping fees, etc. This means only ONE person dealing with airport staff - makes their life easier ! (Of course, your fuel & oil (and beer !) are up to you)

Please register for the *Ramble* NOW ! Send \$5 cash and we'll add you to the special *Rebel* Ramble mailing list - you will be kept up to date, and it will help us with planning ! THANKS !
